Movement: **8"**, Attack: **3**, Support: **1**, Save: **4+**, Command Range: **6"**, Stamina: **0**, Size: **Medium**

**Abilities:** Instinctive (2, 1), Powerful, Ranger, Very Strong, Untrained

## Abilities Description

**Accurate [R]:** Recast up to one failed Combat Stone for this attack.

**Captain (x) [L]:** Activate up to X *Friendly Troops* or *Civilians*.

**Combat Discipline\* [C]:** Recast any or all Combat Stones.

**Combat Trained (x) [C]:** Recast up to X failed Combat Stones. Can be used once per combat.

**Influential (x) [S]:** This model has X Coins which may be used before or during the game. Before the game you may spend Coins to gain access to fubarnii models that would not normally be available. One Coin allows you to recruit either two *Troop* or one *Elite* model. The models cost their normal points, but are treated as the same culture and theme as the model they are accompanying.

During the game you may spend any remaining Coins as follows:

- **Bribery:** Spend one Coin when an opponent's Activation Counter is drawn to choose which model they will activate.
- **Incentives:** Spend one Coin during the model's Activation to let up to three fubarnii models within Command Range gain one Stamina.

**Inspire [T]:** All models directly activated by this model gain one Stamina.

**Instinctive (x, y) [T]:** This model always casts at least X Erac and Y Oran in combat.

**Loyalty (x) [T]:** Select a *Friendly* X model in this force at the start of the game to be this model's Master. While within its Master's Command Range this model may be activated for free with the Master.

**Powerful [C]:** Any blows that are landed by this model must be saved with a -1 modifier.

**Ranger [T]:** This model may move over difficult terrain without *Moving Cautiously*.

**Sea Legs [T]:** While on a Boat, this model gains Surefooted[T] (this model may re-roll a failed *Agility Test*).

**Shipwright [A]:** An adjacent Boat model may immediately gain one Stamina.

**Untrained [T]:** This model may not be Activated Directly.

**Very Strong [T]:** This model counts as a Large model for pulling a Log Wagon or a Belderak Bombard.

**Very Tough\* [S]:** Re-roll a failed Toughness save.
